

## Holiday at Home. “Just One Cornetto” 2011

This is a themed event involving a variety of activities for folk to enjoy. Great fun is had by all, and it is an opportunity for those who no longer go away on holiday to come together for a day to have some fun together here in Winchester! Each year has proved a success...an event not to be missed. Drama, craft, music, singing and delicious freshly cooked food are always on the menu, usually with a surprise 'guest' appearance as the icing on the cake!
